Inspector:	JEFFREY MFINI

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	2026-03-09
Comments:	As I reviewed the case notes, the respondent called, seeking to speak with Inspector Julian. She was confused about next steps, stating she had complied with most requirements during his visit. It appears she's awaiting further communication with Julian. Best to wait until his return on Monday for him to proceed with the case.
