The licence can be issued subject to Special conditions in terms of **PERFORMING ANIMALS PROTECTION, 1935 (Act No. 24 of / 1835 Section 7 (d)**, read with **PERFORMING ANIMALS PROTECTION AMENDMENT ACT, 2016 (Act No.4 of 2016) Section 3C(1)(h)**:

These can include but are not limited to the following.

1. Proof of a valid PAPA licence must always accompany the animals, in line with Regulation 7 of the PAPA.
2. On request, the PAPA licence must be presented to a police officer, including an animal welfare inspector authorised as a police officer in terms of Section 8 of the Animal Protection Act, (Act 71 of 1962).
3. A police officer must be allowed access, in terms of Act 4 of 2016, Section 4, at any reasonable time to a premise, place or vehicle whereby performing animals may be used.)
4. When animals under this licence are moved to a facility not listed on this licence, the licencing officer must be notified 7 days before the intended movement, in line with Regulation 6. This will also be applicable to movements of new animals to this facility.
5. Any restraining methods used on the animals or birds (please delete species not applicable to a specific licence) shall not cause pain, injury or suffering and should be supplemented with species appropriate measures to reduce stress.
6. It remains the responsibility of the licence holder to feed, care for and house all the above mentioned animals and maintain the facilities, transport, and other equipment to meet all the animal welfare needs.
7. The officer must be informed if there is any change to the number or type of species used.
8. It remains the responsibility of the licence holder to ensure that he/she submits the correct PAPA application form, correctly completed, at least 2 months before a valid PAPA licence expires, to papa@daff.gov.za and faculty.baloyi@gauteng.gov.za.
9. It remains the responsibility of the licence holder to ensure that the facility veterinarian will visit the facility at least twice per year at an interval of at least 4 months apart.
10. Only fit, healthy and appropriately trained dogs and/or horses may be used for safeguarding.

11. Safeguarding dogs may only work with a PSIRA registered dog handler (DH) trained to the same level as the dog, for example DH2-patrolling and deter crime, DH4-searching and apprehension off-leash or DH5-detection.
12. Assessment of dogs and dog handlers to confirm/maintain their grading and update their certification should be conducted annually.
13. For short resting periods during a working shift, the dog must be secured in an appropriately sized duty enclosure with an appropriately sized kennel and fresh water. The dog may not be left unattended at a facility during or between working shifts.
14. Dogs must return to an off-site off-duty enclosure (primary facility) between working shifts and off days where appropriate care and exercise routines are maintained. **AND/OR**
15. If off-duty enclosures are not located off-site (animals are permanently on site) the enclosures must be built, equipped and the animals managed during the off-duty period at the same standard as at a primary facility. A registered DH1 (minimum requirement) dog handler and/or inspector must check on the dogs off-duty and take them to a safe exercise camp/area/activity where the dog has the opportunity for natural behaviour, including elimination behaviour (urination and defaecation) and possibly playing activities/exercise, at least once in a 12 hour off-duty period. During this time, the enclosure should be cleaned.)
16. For short resting periods during a working shift, the dog must safely be removed from the tactical vehicle, to allow for urination/defaecation, movement/exercise and have fresh water. The dog may not be left unattended in a vehicle during or between working shifts. (Dogs working from tactical vehicles)
17. Minimum operating, equipment, and facility (tactical vehicle) standards should be maintained to ensure the welfare of the animals, for example fresh air and a comfortable ambient temperature is required. (Dogs working from tactical vehicles)
18. Should dogs be utilised at facilities that are not listed on the current licence for a period longer than five days, the licence holder must supply (email) the relevant site details (client, address, contract period) as well as any additional number of animals used, site plan, amendments to SOP's, etc. to the licencing officer, requesting an amendment of the licence, within 7 days after the dogs' arrival at the new facility. Please always Cc faculty.baloyi@gauteng.gov.za.
19. This licence is issued subject to the registration of Dog Handlers (DH) with PSIRA, as listed as a non-conformance on the corrective action report. Registration is only valid upon submission of DH training by a PSIRA/SASSETA registered training facility.

Security industry supplying dog rentals:

20. Dogs used for safeguarding may only be rented to PAPA-licensed, PSIRA registered security service providers. These rental clients are listed on the licence under "other PAPA licensed facilities to whom dogs are rented."
21. An updated list of all rental clients and secondary facilities must be forwarded to the LO monthly, so that the licence can be amended accordingly.

This licence is issued subject to the Addendum with the **Licence no: PAL/02 GAUT/203/219/0019**

22. When animals under this licence are moved to a facility not listed on this licence, the licencing officer must be notified 7 days before the intended movement, in line with Regulation 6. This will be applicable to movements of new animals to this facility or movement of animals to new secondary facilities and/or rental clients, as well as movement to temporary facilities, where the dogs will stay for a period of less than 5 days.
23. The safeguarding dog rental contract must specify the responsibility of either the dog rental facility or the renting security provider to provide appropriately trained and registered dog handlers for each rental dog used for safeguarding.
24. Dogs and dog handlers must be trained to an equivalent level by a SASSETA accredited/PSIRA registered training facility and the dog handler must be registered with PSIRA in this capacity.
25. Assessment of dogs and DH to confirm their grading and update their certification should be conducted annually.
26. Minimum operating, equipment and facility standards should be supplied by the security dog rental facility to all clients using their dogs to ensure the welfare of the animals.

This licence is valid from **date of issue:** 19/01/2026 and is **valid until:** 18/01/2027
