Vet Report

RE: Constantia View Stables

I hereby confirm that Cape Veterinary Equine has been the treating vet at the Constantia View Stables, managed by Anita Ridge, since 2017.

At no such time has there ever been any cause for concern regarding her horse's welfare.

We frequently visit the yard and based on our repeated observations over time, we can confidently state that the horses are maintained in good health and that their overall welfare is of a high standard.

Please contact us with any future concerns or queries.

Kind Regards,

Dr Kate Meiring BVSc D02/4472
