Please describe the concern you have

Follow-Up: Urgent Animal Welfare Concern – 11 4th Avenue, Bokmakerie, Athlone

Good day,

I am writing to follow up on my previous report regarding the welfare of a dog at 11 4th Avenue, Bokmakerie, Athlone.

Unfortunately, since my initial report, the situation does not appear to have improved. The cruelty and neglect still persists, and no visible intervention has taken place. In fact, there are now two dogs on the property that are chained up under similar conditions.

The dogs continue to be kept permanently chained and exposed to harsh weather conditions, including stormy and extremely hot days. There is still no visible sign of adequate food, water, or proper shelter. This is particularly concerning given the history of previous dogs at this property reportedly passing away due to malnutrition and neglect.

I am very concerned that the situation is worsening, and I kindly request urgent intervention. Given the repeated pattern of neglect, I believe this matter requires immediate attention to ensure the safety and wellbeing of the animals.

Please could you also confirm whether my previous complaint was logged and advise on the status of the case.

Thank you for your assistance and attention to this matter. Please let me know if any additional information is required.

Kind regards,

Nicolette
