Comments:	ADDITIONAL INFORMATION RECEIVED VIA EMAIL WHICH LEADS THE CASE TO BE RE-OPENED: From: Donna Wiese <donnaahabron@gmail.com> Sent: Monday, April 27, 2026 11:12 AM To: Inspectorate – Cape of Good Hope SPCA <inspectorate@spca-ct.co.za> Subject: Good day I trust you are well? I am writing to you today to formally complain about my neighbours dogs constant barking. All day,all night. The dog is kept in a very small space during the day without cover. Whether it pours with rain or is scorching hot,the dogs shelter is not sufficient. The SPCA have been to the house and since that visit. One of the two dogs are no longer on the property. I have gone over to them to complain about the barking one 2 occasions. I went over again this morning because I am literally losing my mind. But they did not open. The dog is kept along the side of the house so it's joined to my side where my son's bedrooms are. They do not get a full night's sleep ever because this dog does not stop. Please advise me on what to do because I literally cannot take it anymore!. The address of the person is number 2 Lovat Road Ottery. I am at number 2 Myrtle Road. Please assist me,I honestly and truly cannot take it anymore. Even the other neighbours are complaining. That's how bad it is. Kind regards. Donna 0726340245
