Comments:	COMPLAINANT STATED THE BELOW VIA EMAIL AND WOULD LIKE THIS CASE TO BE RE-OPENED AS THE OWNER HAS REVERTED TO THEIR OLD WAYS. U took her alsation away last year in very bad shape she didnt get vet care. Now she has the white doggie she locks him or her in that small space. I drive past for a month now still in small space. The people in street will also confirm with u gladly they say poor dog. Dog is not allowed in her home or in the other big spaces around the house. When u warned her about this last time she put dog in front in shade grass for short while then back to that small space. Owner is very very rude. Thank u
