Good day,

I trust you are well.

I would like to revisit this complaint. As once again the next door neighbors are leaving their dog poop lying for days in their front yard and their dog is literally having to live in these conditions.

I am dealing with an absurd amount of flying coming from next door and I fear that this could make my toddler ill as well.

I mean I have a dog it's not that difficult to clean up, its basic protocol. Dogs should not be living in such inhumane conditions and if they are unable to take care of their dogs it should be rehomed to someone who can take better care of them.

Please kindly assist with this situation as soon as possible.

Yours sincerely,
Kimberly Jacobs
