Good day,

Despite my report last week, the situation with the constantly barking, chained dog remains unresolved. This is unacceptable—it is cruel to the animal and a major disturbance to neighbours. The ongoing distress of the dog is deeply concerning.

I request that this be dealt with as a matter of urgency.

Thank you.

This dog has been consistently chained up. Please do something about this poor dog.

They will try to stop you from looking at the back of the main church. The dog is chained up behind the church by the cottages. This is very disturbing as it happens on a regular basis. No dog or animal deserves this.

Thank you.

[11:39, 4/6/2026] Control: Thank you for the update. Please message or call in again once you see the dog again.
