Comments:	another report coming through on whatsapp: Good evening. I'm reporting animal abuse. Church property at the corner of Steenberg Rd and Main Rd, Lakeside, Cape Town. The people living here previously had a dog taken away from them by the SPCA. It had been beaten and had to be euthanized. They now have 3 dogs - I think the newest one arrived today. It has been crying and is chained up. The others have also been chained up. My neighbors have videos of this dog as well as a video of the owner putting a board infront of a kennel - there is a dog inside the kennel, also chained up. We are worried that these dogs will also be beaten to death . Please can someone be sent urgently to remove them. Kind regards Lucy Ford
