Comments:	Mr Bigox Makembe (Contact: 082 839 4164) arrived to claim the animal. He stated that the dog belongs to his brother. According to Mr Makembe, there were issues at his property involving attempted break-ins, and he requested that his brother leave the dog in his care. Mr Makembe was advised that his brother, as the legal owner of the dog, is required to come in personally to lay claim to the animal. He was further advised to return before 17:00 today, as tomorrow is a public holiday. Mr Makembe disputed this, arguing that public holidays should not affect the seven-day holding period. I explained the relevant policies and procedures. Mr Makembe then proceeded to complete an affidavit and informed me that his brother would only be able to come in on Monday to claim the dog. The inspector has also noted that Mr Makembe has indicated his intention to proceed by opening a docket.
