35. If more than 2 strokes – why Not observed
36. Does dressing of animal take place while life signs still showing Yes \*\*\*
37. Is the area used for bleeding cleaned between each animal Yes

Comments \_\_\_\_\_

I arrived at the farm and they were still setting up. I went to check whether all animals had access to water, which they did. I decided to observe the slaughter of sheep and monitor them as I have seen them wanting to move the sheep whilst it is still kicking. I had to stop movement again and show them what to look at to ensure the sheep are gone. I oversaw all the sheep I could until we went to the cattle slaughter. ...
