| Veterinary problems / health concerns: | No                  |

**Comments, if any:**

Frenchie is a very well looked after and loved dog. The owners have done the best within their means to provide for all his needs. We noted the kennel needed to be fixed and the reason for chaining incorrectly unnecessary. We took the opportunity to educate and offer assistance where possible with the correct line and pamphlet. The owner asked that Frenchie be sterilized and the animal was admitted on G46527.

**ACTION TAKEN :**

☒ Warning issued

Number: 120654

**OUTCOME / FOLLOW-UP :**

☒ Follow-up inspection to be conducted

☒ Animal/s brought in for treatment

Follow-up inspection date / period: **June 15, 2026**

Treatment Card number/s: G46527
