Comments, if any:

Mitzy looks well for his age. The owner Mrs Abrahams said that he is only wanting to eat house food to which she was educated on the benefits of pellets especially for teeth and gums. Mrs Abrahams also did not have a dedicated water bowl for Mitzy and said that it was because he always went to the tap. I gave Mrs Abrahams a dedicated water bowl for Mitzy and a collar. Mrs Abrahams signed for warning 120651 to provide adequate food and water on a daily basis and also requested a donation for catfood.
