No ***

Adequate shelter available:

Yes

Animal/s in good condition:

Yes

Veterinary problems / health concerns: No

Comments, if any:

Mr Coetzee is a pensioner and was grateful for the help of proactive deworming and tick/flea treatment. As with many of the houses he said his dog drank from the dripping tap whenever it needed. I educated him on an animals need for water including the amount. Warning 120661 and a bowl was given to assist.

ACTION TAKEN :

☒ Notice to Comply issued

Number: 120661

OUTCOME / FOLLOW-UP :

☒ Follow-up inspection to be conducted

Follow-up inspection date / period: **June 15, 2026**
