Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	I reviewed this case and consulted with one of the Team Leaders , Insp. Davids. I believe that looking at the previous inspections done and the information, there is no concerns for us to pursue as the owner has made mention that the dogs are taken outside for exercise daily. The apartment has ventilation in the form of windows, there is clean water available and the living area is clean. The dogs are in fair condition, which also suggests they get regular exercise. As per the By-laws, you are allowed to have a maximum of 2 dogs in an apartment and 3 cats, therefore there is no bylaw contravention as well. Therefore, this case can be closed, NFA.
