

Good Day Magdalene

I trust you are well and thank you for reaching out . kindly find an attached Pin location where a safe set up could take place for yourself and the community at large .

Gps coordinates : -33.871225, 18.508598 .

This location is in Phoenix Phase 2 directly opposite the mosque. This location would be ideal for both Joe slovo residents as well as phoenix. If there is a flyer available , Please feel free to send it through as I run a charity (Janets Junction NPC) and will be more than happy to print and distribute them accordingly.

The councillor's name is Anthony Benadie - 078 288 5155 - Please feel free to let him know that I gave you his contact details.

Once again thank you for reaching out and let me know if you need anything or a hand.

Kindest Regards

Good morning Jason,

Trust you are well.

We are more than happy to assist with an outreach in the area. Could you please provide us with a pin location for the specific area you are referring to?

I looked at the last case we attended in that area and noted that there is a very large informal settlement extending from Democracy Way into Freedom Way. If this is the location you are referring to, we would be happy to coordinate an outreach with the assistance of the relevant departments within our Society.

I have identified a suitable pin location for our vehicles to park, which should provide easy access for the community:

GPS Coordinates: -33.873113967223595, 18.50876030001376

Do you have the contact details of the ward councillor or a community leader who can assist in spreading the word about the outreach on behalf of our Society?

Once we receive confirmation from you, we will proceed with the booking and schedule the outreach for 21 July.

Outreach Services

During the outreach, we will:

1. Collect unwanted and stray animals.
2. Assist with deworming and vaccinations on the day.
3. Book animals for sterilisation at our clinic and return them to the same location once the procedure has been completed.
4. Provide educational information on responsible pet ownership, including the dangers of chaining and dog fighting. Educational pamphlets will also be distributed.

@Sifiso – Please advise whether the mobile unit will be available to assist on the day. The outreach is planned to take place between 09:00 and 12:00.

@Justin – We will require assistance from Law Enforcement for the morning. Please make the necessary arrangements and confirm your availability for the calendar booking.

Thank you, and I look forward to your feedback.

Kind regards,

Good day Jo,

We do not send out consent forms for sterilisations. If possible, could you please obtain the names, telephone numbers, and, if available, the addresses of these individuals? We would be happy to collect the animals from their homes should they not arrive on the morning of the procedure.

@Shamima Abrahams - Cape of Good Hope SPCA, were you able to complete the flyers?

Kind regards,

Hi All,

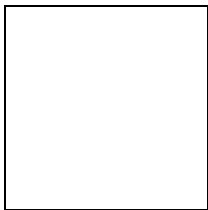

If someone can please send me the consent form for the sterilization, I have spoken to most of the owners re having the steri done and they are all happy with it, it is just difficult to pin the people down so if I could print the forms and have them with me to be signed when the owners are around that would be great.

I currently have 8 males and 2 females that can all be picked up and dropped off at the same spot. The area is known as the Milky Way and is not dangerous.

I would like to start there.

Kind Regards

Good morning, Jason,

Thank you for your response. The location is perfect.

@Shamima Abrahams - Cape of Good Hope SPCA, could I please request your assistance with the flyer in my absence? Could you also liaise with Sifiso to confirm the date?

We will require a Collection Officer to assist on the morning of the outreach. If you could arrange this accordingly, it would be greatly appreciated.

The outreach has been scheduled for **21 July at 9:00 AM**.
