The accused appointed a new private attorney, who was not present at the court, instead, he sent a letter as follows.

The defense attorney, R.I. Kassel from Kassel Sklaar Cohen & Co. He was only just briefed for Jamie Pieterse matter.
He asked the Magistrate to postpone so he can get the docket + charge sheet and speak to his client properly.
He asked for the first week of August 2026, except 5 August because he's in Bellville Court D that day.

On the 3 August 2026, the Private attorney and Public Prosecutor will meet to agree on a new trial date.

Jamie Pieterse was given the message to pass to his attorneys.
When the new date is set, the Court will issue a subpoena and notify me to attend.
