Comments: Good day Anthea

Thank you for your email.

We have been trying to contact Carlos on his cellphone but he does not take our calls.

He will need to come into our offices to come and lay claim to Mike, so that we can finalise the dogs return. He will need to bring his Identity Document or Passport with him and proof of ownership of the dog. This could be photos of him and the dog, failing that, we will need an affidavit stating that Mike belongs to him. He will also be liable for any costs incurred during the dogs stay at the Cape of Good Hope SPCA.

Before Mike is allowed to return home, we will also require that the running chain is setup, as requested in our previous discussions with him.

Please let us know when he will be able to come to us so that we can arrange a time that is suitable for all of us.

Do not hesitate to contact us if you have any questions or queries.

Kind regards

Inspector Rodney
