Subject: 33 Louise Crescent

Good morning.

Guys please....it's yet another complaint.

The owners of the pitbull at number 33 Louise Crescent Eastridge Mitchells Plain really don't deserve to have pets.
That poor dog slept tied up in the rain last night and is still on that same spot.
If you guys had listened and did something about it 3 years ago when there were so many reports about cruelty, she could have known what really happiness and a loving home is.
As it stands, she has to live on a chain, and never gets affection in any way.

It's cold outside.....PLEASE HELP THE DOG ALREADY!!!!

It's obvious to all that those people at number 33 are screwing the inspectorate around.

They've had pitbulls before that died there due to neglect.

Must the same thing happen to this dog?

Like seriously, if we have to post this on social media or take it further, in order to get proper help for that dog , then we wont have a choice.

But for us that volunteer with a rescue org.....this is pissing me off for years already and something has to be done URGENTLY!
