| Comments:       | <p>I requested the dog be returned home. Andisile Booi advised that the dog has not yet been sterilized.</p> <p>Reason for non-sterilization:</p> <p>According to the vet, the dog sustained injuries prior to the scheduled procedure. As a result, the veterinarian was unable to sterilize the dog at that time and instructed that the dog must be returned to the vet within two weeks for sterilization once medically fit.</p> |
