Comments:	Good day Gustov, Inspector Albertyn attempted to contact you telephonically ; however, there was no response. He is required to conduct a follow-up inspection at the property regarding the well-being of the animals and would also like to review proof of the veterinary examination and/or report. Please contact our office to arrange a suitable date and time for the inspection . Kindly note that we do not conduct routine follow-up inspections over weekends. As an emergency-based society, our inspectors prioritise emergency animal welfare matters during this time. We look forward to your prompt response. Kind regards, SPCA
