

I, Ms Melcasion Bruezain Campbell States the following under Oath in Afrikaans, written in English:

1.

I am an adult female of 40 years of age, with ID no: 8604120081089, I am currently residing at B20 Happy Valley Informal Settlement, C/O R27 and Big Bay Boulevard. with mobile no: 0679778554. I am currently employed at Mrs Cecilia Schlebusch at unit 14 Tuscan Villas, Rochester street, West Beach, as a cleaner.

2.

On Thursday 2026/07/13 at about 16h00, I was at home, and my friend, Lenda was visiting me. My dog, a female Staffie-cross by the name of Jessie was also around us. The dog's demeanour was peaceful, and she was naturally roaming in our vicinity. Suddenly, Jessie and another dog known as Spotie got into a fight. Spotie is known to be owned by a person known to me as Renaldo.

3.

Before I could intervene, Renaldo grabbed my dog Jessie by the neck and began to choke her. I shouted at him to release my dog. He ignored me and shouted at one of the children to fetch his golf stick/club. I again shouted for him to release my dog, and was again ignored. By this time, his other dog, a black dog had joined the fight and was attacking Jessie. I could clearly see that he was doing nothing to stop his dogs, and was only after my dog.

4.

Someone brought his golf stick and he began to violently beat my dog on her sides, and on her back. All the time I was shouting at him to leave my dog. He ignored me. Eventually, he stopped and I called Jessie over. She came to me in a state of clear pain and distress. She struggled to walk. I then tried to tend to her, and to give her food and water. She did not want to eat or drink. I then contacted Mrs Schlebusch and asked her to assist in getting my dog to the vet. She came and we took my dog to Hakuna Matata veterinary clinic at 04 Sandown Rd., West Beach.

5.

The Veterinary Doctor came out and informed us that due to her injuries, she will have to be put down. I was devastated, but agreed to this, as I did not want to prolong her suffering. The Doctor told me that she had internal bleeding, her kidneys and liver was badly damaged. I then left in a state of shock and grief. After a few days of grieving, I reported the incident to the SPCA. They requested that I provide them with an affidavit, so they can proceed with a criminal investigation. I did go to complete one at Table View SAPS, however the affidavit was insufficient, as I did not provide the needed detail.

6.

I then returned to Table View SAPS, where I laid down a detailed Affidavit. I was earlier approached by Renaldo's partner, known to me as Menlita Salmous. She began to threaten and intimidate me, telling me not to open a case, or she will have my partner, Denver Darries arrested for something. I do fear for my safety and that of my family, due to their threats, as they are known as violent and criminally inclined persons.

I, Ms Melcasion Bruezain Campbell States further:

7.

I require further police investigation into this matter. I did not give anyone permission to attack and beat my dog. I further contend that Renaldo had an obligation to control his two dogs, which are known to fight and attack other animals and are aggressive in nature, even attacking people. Renaldo has been repeatedly asked to control his aggressive animals, and he either ignores us or swears at us. This is all I can state on this matter.

8.

I know & understand the contents of the above declaration.

I have no objection in taking the Prescribed Oath.

I consider the Prescribed Oath as binding on my conscience.

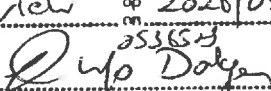

'So help me God!'

Melcasion Bruezain Campbell

I certify that the above statement was sworn by me and that the deponent has acknowledged that he/she knows and understands the contents of this statement. This statement was sworn to/affirmed before me and deponent's signature/mark/thumbprint was placed thereon in my presence.
