Date	Time	By	Code	Description	Qty (Variance)	Amount
				hair on the eyelids don't look like its growing inwards but made owner aware , we might have to do entropion surgery to see if it will help if its needed he is happy to try chloromax 1st and if not better will return - did advised check up 5-7 days time aware welfares spay and neuter dogs dont seem like owner has a issue .		
				after cleaning eyes seems nicely open as well and started 1st drops
