Dear Counsellor van der Linde

I trust you are well.

It appears that your request did not reach our office, apologies. Nevertheless, we could arrange for a joint outreach at the site to check the condition of the dogs and help the community where possible. Unfortunately, we can only remove animals with a court order granted by a magistrate court, if the animal(s) is so severely injured and/ or diseased that for us to leave it behind would be cruel, or if the owner willingly surrenders an animal to us - relinquishing all ownership of the animal to the SPCA.

We have planned outreaches across Cape Town and we can assist with this area too, depending on the next available opening. @Magdalene Marshall - Cape of Good Hope SPCA please could you check when our next available date would be to assist in this community? The location is just off Blaauwberg Road, behind the Killarney taxi rank - see map below.

Kind regards

Dear Colleagues

We acknowledge receipt of your email.

Please note the SPCA has no knowledge of the request below. We do not have any planned operations at the location referred to in your request and neither did we request the assistance of Metro Police.

Clarification on this matter would be greatly appreciated.

Nonetheless, we are unfortunately not available to assist with this on Wednesday because we have a planned outreach already that is going to utilise most of the team.

Requests like below needs to be planned in advance and we need to arrange accordingly.

We trust to get clarity on this matter from you – thank you.
