Postal Code:	7570
Date:	2026-09-02
Time:	19:05
Inspector:	TARIQ ALBERTYN

Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	At aproximatley 19H20 i met with public member who called in about the injured dog trapped in the canal close to Bloekoms bos high , i met with him he then explained that its on the other side of the road just behind the shacks ,i then took my buky around and then parked it by the shacks he then told me i need to walk through the shacks to get to the canal it was very dark , i then walked through the shacks and saw the dog laying in the canal it was a black x breed male that could not get up , looked like its legs and back was broken i then climb into the canal and removed the dog he was in lots of pain he looked defeated i then brought him back to the spca A 2485
