Subject: Request for Assistance

Dear Cape of Good Hope SPCA,

I'm reaching out to ask if you could please assist me with my elderly dog who is in Ruyterwacht/Goodwood.

He is old and can barely walk and needs to be humanely euthanised. I do not have transport to bring him to your facility, so I would like to ask if there is any possibility of someone from your organisation being able to collect him from my home.

I can afford R600. I would be extremely grateful if there is any way you could assist me.

Please let me know if this is something you may be able to help me with.

Thank you so much for your time and understanding.

Kind regards,
Amor
