Good day..my nameis Graham Sheldon from Northpine near Brackenfell..I currently have 10 cats and 4 two week old kittens.because of the fact that both my wife and i are unemployed since 2023,we found the first 4 kittens in our yard as their mother was killed by a hit and run car so we raised them but the male cat owner had assisted us with feeding them.my son recently got employment but could only afford the cat food pallets and not the sterilization ..in the process the first cats we found has created 6 extra cats and they are now at the mating cycle.we are currently buying them 14 packs of cat food of 2kg each and they have not been vaccinated yet only the first 4..we tried looking and posting for adoptions but people don't reply.we are not able to take care of all of them especially due to them not being sterilized..we can keep atleast 4 cats..We reside in Northpine at No.4 Chenel Place..can you help us please..
