Subject: Third Follow-Up: Urgent Assistance Needed for Sick Cat

Hello,

I am following up once again regarding the sick cat currently at my home, as I have still not received a response or assistance with collecting the cat.

I first contacted you on 13 August and have since sent a second email, but I am still waiting for a response. This is now my third email regarding this matter.

The cat is still suffering from significant swelling on both sides of its face, with pus leaking from the swollen areas. I am extremely concerned about its condition and believe it urgently needs veterinary attention.

I understand that you may be dealing with a high volume of requests, but it has now been almost a month since my initial email. I would really appreciate it if someone could please get back to me as soon as possible and let me know whether the SPCA will be able to collect and assist the cat.

The cat remains at my home at:

3 Heinkel Road, Rocklands, Mitchells Plain

Contact number: +27 66 422 9246

Please treat this as urgent and let me know when I can expect assistance.

Thank you.

Kind regards,

Zaakiyah
