Subject: Injured Stray Dog

Dear Sir/ Madam
Good day,

I hope this email finds you well.

My name is Ayabulela Mtshungwana I'm located in Philippi Browns farm area. There is an Injured stray dog by sheffield road by the Ruth first Community Hall. It has been hit by a car and been laying on the side of the road since Friday. It has an open wound/ huge scar by the side. It cannot move but it's alive. Been trying to call different stakeholders for assistance without success. The dog is in extreme pain, without shelter or food since Friday in this cold weather.

Your assistance would be greatly appreciated.

With my best regards,
Ayabulela Mtshungwana
