

Goose stands with Venter, Lisa and Mignon flanking him and an Police dog on a leash.

GOOSE
Kom uit jou lafaard! Wegkruip gaan
nie help nie!

Suddenly a guy darts from behind a diesel drum and sprints in behind a couple of pallets--

LISA
Hardloop ook nie!

We reveal it is Attie that drops into shot behind the pallets, sweating and dischevelled. Scared as hell.

ATTIE
Asseblief! Ek is onskuldig!

VENTER
Ons gaan die hond op jou sit!

ATTIE
Hoekom ek! Ek het niks gedoen nie!

GOOSE
Dis jammer dit moes tot hierdie
kom.

ATTIE
Ek's nie reg hiervoor nie. Iemand!
Asseblief. Help!

MIGNON
(to the dog)
Vat hom flaffie!

Goose lets the dog go.

ATTIE
Damn it!

Attie makes a run for it. We reveal he is basically wearing a koshuis matras.

The dog darts for him and in spectacular fashion jumps on his back and pulls him to ground.

ATTIE (CONT'D)
Kry die ding van my af!

Goose and the cavalry arrives.

GOOSE
Het jou. Skuim!

Goose pulls the dog off of Attie and turns forward.

GOOSE (CONT'D)
(bravado)
En dis hoe ons dit doen.

We reveal all of this played off in front of a packed pavilion filled with school kids and a teacher or two with the headmaster, MNR. SWANEPOEL looking on.

They all look on, unimpressed. One voice ringing from the crowd--

KID
Laaaaame!

Goose and the team's faces drop.
