The facts contained in this affidavit fall within my personal knowledge unless indicated otherwise or unless it appears so from the context. The facts are also, to the best of my knowledge and belief, both true and correct.

3.

On the 1st September 2026, Animal Anti-Cruelty League received a complaint involving a dog on a premises without food, water, shelter and dirty surroundings namely dog feces. We found no one at home and left a request to comply notice for owner to contact us, when the owner contacted us we disclosed why we had left a notice. Inspector Danfred advised we received a complaint and needed to come do a welfare inspection on his premises. Mr Bubone became confrontational and denied the Inspectors access after many messages and calls from myself, Inspector Danfred and my manager explaining why we need to do a welfare inspection.

Mr. Bubone Still persists denying access to Animal Anti-Cruelty league Inspectors.
