General Report Comments: Owner denied access to all AACL Inspectors, we obtained a search and seizure warrant and executed this on the 17/9/26. Dates we were at premises including speaking to owner via telephone: 1,5,8,10/9/2026. Reason we needed to gain access is that we saw dog from a distance but did not see conditions. On the 17/9/26 where were escorted by SPAS but owner was not at home again. We got hold of the neighbour which allowed us to look over the wall and found no dog previously seen or no evidence of feces, kennel, food and water bowls. The place was clean. The neighbour disclosed that they actually sold this house and that is why owner was so arrogant and denied us access as he knew he would be moving.
