General Report Comments: After serving the Notice to Comply, the owner of the dogs, Mario contacted us. He indicated that Layla, the female dog is 13 years old and Max is 11 years old. He says that his neighbor is taking care of the dogs because he is currently in America.

We indicated to him the state of the dogs, and that both need medical treatment. Upon evaluation and upon advice Mario decided to have Layla euthanized and Max for medical treatment.

Inspector Roxanne and Jacky went to the premises after all information and authority has been given by Mario.

Upon arrival to AACL Epping both dogs were tested for distemper as they were showing signs and symptoms. The dogs tested positive and Mario was informed. He was advised that both the dogs be euthanized. Mario agreed.
