General Report Comments: upon our inspection we noticed wires sticking out and the fence is not suitable as it can injure the dogs unnecessarily. Three of the dogs needs to be attended for their teeth and the owner has already booked an appointment at Midlands vets. They have 4 litters that consist of 20 puppies. The owner told us that she would adopt out her retired dogs to places like the Ambers and in Johannesburg. She showed us one dog that is epileptic but it is under treatment for that.
