CHECKLISTS

General Report Comments: We found the horses roaming on the street, and the residents told us that the injured foal has been injured for more than a week. When we were trying to approach the horses would run away, we then decided to contact the Midlands Pound Master to come shoot the foal from a distance since we did not want to prolong the animals pain. The horse was put down humanely and was removed from the seen by Bruce Mattison.

ACTIONS

NO ACTION REQUIRED
